

Syndicus 360: Adding Value to Industry

About Syndicus

A Veteran Owned Small Business that is federally certified as a Veteran Business Enterprise, Syndicus was established in 2007 in Annapolis, Md., as a technical recruiting and staffing company.

In 2009, Syndicus expanded its focus to include technical staffing and consulting for both commercial and governmental clients in the areas of: (1) Health IT, (2) Life Sciences Solutions and (3) Technology Services (Cybersecurity).

We pride ourselves in partnering with top subject matter experts who ensure candidates, consultants and solutions meet our clients' specialized needs.

Syndicus 360, Inc. is a wholly owned entity that was established in 2015 to address major clients' light industrial staffing needs — anywhere across the United States.

Representative roles that we provide are:

- ◇ Warehouse operators
- ◇ Packaging operators
- ◇ Production workers
- ◇ Field assistants
- ◇ General laborers
- ◇ Facility assistants
- ◇ Assemblers
- ◇ Seasonal field employees

At Syndicus 360, we create strong relationships and an in-depth understanding of your company and its staffing needs. Using that knowledge, we then work

with you to recruit, develop and deploy talent required to fulfill your company's specific objectives and optimal business strategies.

Specializing in consulting contracts and permanent placements, Syndicus 360 value-adds include:

- ◇ Supplementing in-house recruiting teams.
- ◇ Providing senior HR experience and advice.
- ◇ Flexible hiring practices — temporary, contract, contract-to-hire and permanent placement.
- ◇ Providing resources at a fair price — at better than market rate.
- ◇ Insuring and managing our employees to protect your business

By being flexible and working with our clients the way they prefer to be engaged, we can help you save money, stay competitive and meet company-specific goals by finding the right talent at the right time.
